Dear Colleagues,

We are pleased to invite you to participate in The 3rd International Conference on Animal Production for Food Sustainability (ICAPFS), to be held online on September 7th 2023 at Bali Dynasty Resort, Legian-Bali and online via Zoom Meeting.

The theme of this International Seminar is "Developing Strategy for Animal Production and Green Agroindustry through Circular Economic System". This year's conference will be held hybrid, and present some outstanding speakers coming from Indonesia, Australia, Ghana, India, and Malaysia.

Call for Papers:

Participants with paper are requested to send the abstract of the paper at the latest on June 30th 2023.

Link registration:

<https://bit.ly/FormRegistrationICAPFS-2023>

Selected papers will mainly be published in:
IOP (Scopus indexed proceeding).

Should you require further information, please don't hesitate to contact us (icapfs@unud.ac.id). It would be very appreciated if you could inform your colleagues about our conference, even just by sharing this message.

For more information, please visit our official website at:
