BALI AT GLANCE: Here are additional information about Bali

Getting Around

- DRIVING** : Drive on the left
- RENTALS** : International drivers' license required to drive and rent cars and motorbikes
- TAXIS** : Blue Bird Taxi (+62 (0)361 701 111) is most popular and reliable - all of their taxis are metered.
- TRAFFIC** : Traffic can be very unpredictable (ceremonial parades, floods, detours, etc.)

Money Matters

- CURRENCY** : USD 1 = IDR 14,000
- ATMs** : ATMs dispense IDR 50,000 or 100,000 bills; withdrawal fees using foreign bank cards, Visa or MasterCard vary and can be high. Beware of skimmers and rigged units, and remember to take your money and card after each transaction

Staying Connected

- SIM CARDS** : SIM cards are widely available at small shops and convenient stores; most are mobile internet-ready. Verify SIM and micro-SIM factors upon purchasing
- ELECTRICITY** : 220 Volts, 50Hz. Electrical plugs are two-pronged 'Euro plug' type.

Customs and Etiquette

- TEMPLES** : Must-wear on temple visits: sarong (usually with sash around your waist). Temples are generally free to visit. However, most keepers will show visitors to a 'donation box', or rent sarongs at the entrance for around IDR 10,000 (don't worry if you didn't bring one). Always use right hand for gesturing; never left hand or feet.

Staying Safe

- WATER** : Tap water is not potable; ice in drinks at established bars, hotels and reputable restaurants are usually safe.
- DRUGS** : The penalty for drug is death. Take it seriously.
- EMERGENCIES** : In case of emergencies, dial 110 for police and 118 for ambulance.
